OUR HERITAGE · BAKED IN DENVER, COLORADO

01 · OUR STORY

The Story Behind Every Bite.

Baked with Grandma Jeanne's love. Rooted in tradition. Made for travelers.

HOW IT STARTED

She baked. She gave. She traveled with cookies in her suitcase.

Our story begins with Grandma Jeanne, a talented baker and philanthropist who loved to spread joy and give back. Her mandel bread recipe was especially treasured, and she was known for packing it in her suitcase wherever she went, sharing it with family and friends. It's her generosity and spirit that inspired the creation of Lazar Family Bakehouse.

A COOKIE WITH A STORY TO TELL

Jeanne lived to 102. Her recipe lives on.

After she passed, making this recipe became a way to honor her memory and carry on her legacy. Twice-baked with real ingredients. Engineered for the kind of shelf life that lets a cookie travel: twelve weeks, no preservatives. The same heirloom flavor, in packaging built for the people who'll carry it home.
