OUR DIA STORY

One SKU. Then Four.

We started small with one DIA concessions operator. One hero SKU on one shelf. Within nine months that grew to four SKUs across the same concept, on a seven-week reorder cadence. No distributor in between, no slotting fees, no promotional spend. We deliver direct, keep the format tight, and let the twelve-week shelf life do the work. **The bags earn their space.**

WHY WE FIT TRAVEL RETAIL

Built for the way travelers actually shop.

12-WEEK SHELF LIFE

Four times longer than a soft cookie.
Engineered without preservatives.
Monthly restocks possible.

NO MELT, NO MESS

Twice-baked structure travels in a
roller bag, a hot car, a cold cabin.
Open the case, set it out, done.

DIRECT TO ACCOUNT

We deliver to your DC or store. Net
30 terms. No distributor in the
middle, no middleman markup.
